Lr.Ms.No.5291. Fort St. George,
D/26-10-1948.

To
The Secretary to the Govt. of India,
Ministry of Health, New Delhi.3.

Sir,

Sub: Supplies of anti-malarial drugs to the planters of South India outside Madras for the second half of 1948.
Ref: Correspondence resting with Mr. Saksena's letter No.2-4/48-Q, dated 24-5-1948.

I am directed to address the Government of India in regard to the supply of antimalarial drugs to the planters of South India outside Madras, during the half year ended 30th June 1948 and their requirements for the second half of the current year.

2. The quantities of antimalarial drugs allotted to the planters of South India outside Madras for the first half of 1948, the quantities actually supplied to them during that half year and the balance of allotment over supply are as shown in the following statement.

	Allotment			Supplies.		
	Quinine Sulphate.		Quinine bihydrochloride ampoules.	Quinine Sulphate		Quinine bihydrochloride ampoules.
	Lb.	Oz.	Boxes.	Lb.	oz.	Boxes.
Travancore	400	0	1200	20	0	2150
Planters outside Madras:-						
Mysore, Cochin and Coorg.	172	9	713	23	8	94
	572	9	1913	43	8	244

	Quinine sulphate		Quinine bihydrochloride ampoules.
	Lb.	Oz.	Boxes.
Balance of allotment over supply. ..	529	1	1669

3. The requirements for the second half of the current year (1948) have been estimated by the Secretary United Planters' Association of Southern India in respect of the members of the Association and the Estates in Travancore and by the Superintendent, Central Jail, Coimbatore, in respect of non-members of the United Planters' Association of Southern India in Mysore, Cochin and Coorg. The figures are as detailed below:-

	Quinine Sulphate. Lb.	Quinine bihydrochloride ampoules. Boxes.
1. Travancore	150	500
2. Cochin	23	75
3. Coorg.	83	250
4. Mysore	50	300
Total ..	306	1125

The balance left from the allotment for the first half of

p.t.o.

of 1948 available with the Government for allotment for the second half of the current year is as detailed below:-

	Balance of allotment. Lb.		Requirements of the second half of 1948. Lb.	oz.	Excess. Lb.	oz.
Quinine sulphate	529	1	306	0	223	1
Quinine Bihydrochloride ampoules (Boxes.)	1669		1125		544 boxes.	

4. The requirements of quinine sulphate and quine bihydrochloride ampoules for the second half of 1948 will be met from the balance left from the allotment for the first half of the year 1948. The distribution of quinine products to planters are however being continued in anticipation of allotment. As in the previous half year, Quinine substitutes will be purchased by the planters from the open market.

Yours faithfully,

x x x,
Secretary to Government.
